

# „Jagatud teekonnad“: faktid ja lood rändest 21. sajandil

## International Webinar on Climate Change and Migration

### „Global challenges and the opportunities of the 21st century: responsibilities of individuals and nations“

**Event date:** February 18, 2021 (Thursday) at 14.00-17.00 (Eastern European Time)

**Event description:** Climate change, destruction of ecosystems, forced migration and human rights violations are only a few of the global challenges humanity is facing today. The world around us is changing rapidly and we must adapt to survive. What opportunities and solutions are possible on an individual, local, national and international level? This webinar will bring together young people, teachers and experts to explore, discuss and dream about a better future for all.

**Participants:** students (age 15-19) and their teachers

**Language of the event:** English

#### Agenda:

- Introductory interview with the President of Estonia **Ms. Kersti Kaljulaid**
- Panel discussion with experts on human rights and climate change:
  - **Mr. Kari Käsper**, UNHCR
  - **Ms. Minna-Liina Lind**, Ambassador for Human Rights and Migration, Estonian Ministry of Foreign Affairs
  - **Ms. Aveliina Helm**, Tartu University
  - TBA, Ministry of Environment
- Introduction to Estonian Model United Nations 2021 topics and activities
- Group discussions for the youth lead by EstMUN youth

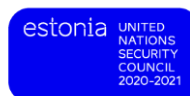

**NB!** The event will take place in Zoom, the first part of the day will be streamed in Facebook and Youtube.
